

ROCKSTAR GAMES PRODUCTION TECHNICIAN - £26,000

Rockstar Games is a leading videogame publisher who have successfully created and established original IP's that have garnered worldwide success and critical acclaim including the Grand Theft Auto franchise, Midnight Club and Max Payne. Alongside the game franchises, the Rockstar brand has also become a signature for videogames that are both culturally relevant and have helped push the medium of 'home entertainment' to a new level. The R* logo is now seen by many consumers as a guarantee of a high quality and innovative game play.

Rockstar Games would like to hear from PC Video editors with varied editing experience and a background in consumer entertainment.

A few duties of this varied role are:

- To create trailer and gameplay clips for international marketing purposes
- Write briefs/strategies for the production of promotional assets for each title
- Produce qualitative and quantitative screen shots for use in printed press, digital media and packaging
- Create and produce broadcast quality trailers for TV, Cinema, Print and the Web

To be suitable for this role you will:

- Have good IT and all-round technical knowledge
- Be experienced in editing and capturing of source gameplay footage and compressing final products
- Be fluent in Premiere Pro Editing software
- Have a passion for film, TV and music
- Be an avid console gamer

If you have the required skills and enthusiasm for this role, please send your CV along with a covering letter to Steve Willingham:
