The background of the slide features silhouettes of people in a studio or event space, bathed in a cool blue light. On the left, a person is seen in profile, holding a professional video camera. In the center and right, the lower legs and feet of several people are visible, suggesting a group of performers or staff. The overall atmosphere is professional and dynamic.

As well as handling talent like radio personalities and chart-topping music talent, this entertainment company (specialising in PR) facilitates huge events, work on the UK's leading podcasts and manages publicity for your favourite brands.
